Out-of-hospital Prescribed Minimum Benefit (PMB) chronic medicine list (formulary) for 2022

DISCLAIMER

The information contained in this document may be subject to change. The Out-of-hospital Prescribed Minimum Benefit (OHPMB) and the utilisation of the benefits and programmes associated with this benefit is subject to specific conditions and rules. Members must ensure that they are familiar with these rules and conditions. The scheme rules are available on www.discovery.co.za under Medical Aid > About Discovery Health Medical Scheme.

Any instruction or advice we give about medicines and the management of your condition is intended as a supplement to, and not a substitute for, the knowledge, expertise, skill and judgement of your doctor, pharmacist or other healthcare professional. You may need to get your medicine from a designated service provider (DSP) to avoid a 20% co-payment. Visit www.discovery.co.za under Medical Aid > Find a doctor or click on Find a provider in the Discovery app to find providers in our network.

Discovery Health Medical Scheme reserves the right to change the benefit at any time. We will communicate any changes to the way we pay medicines when we make these. The latest version is always available on www.discovery.co.za under Medical Aid > Manage your health plan > Find important documents and certificates.
