

GUIDE TO CHANGING YOUR PLAN

DISCOVERY HEALTH MEDICAL SCHEME

2022

Overview

The Scheme rules allow for certain plan movements at any time during the year. Moving to a lower plan may result in an amount owing to the Scheme if you've spent more of your Medical Savings Account (MSA) than you've paid for, where applicable. Moving to a higher plan during the year is not allowed, however, there are exceptional circumstances where these requests may be considered. You can refer to the guide "Upgrading your health plan during the year" for more information, it is available on www.discovery.co.za under Medical aid > Manage your health plan > Find important documents and certificates.
