How to order medicine with MedXpress

This guide will show you how to order your medicine using MedXpress, a convenient medicine ordering service.

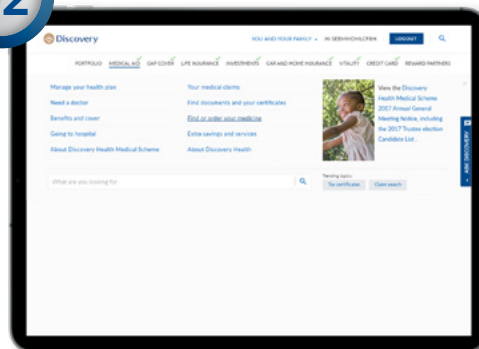

Discovery website – Upload your script

01

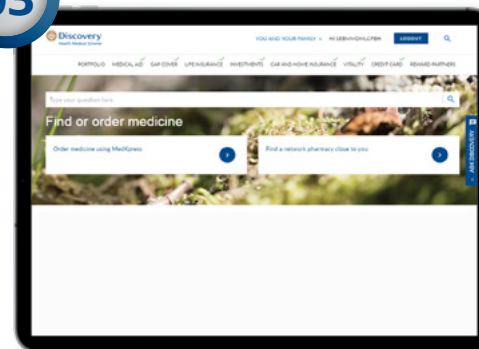

Log in to the website

02

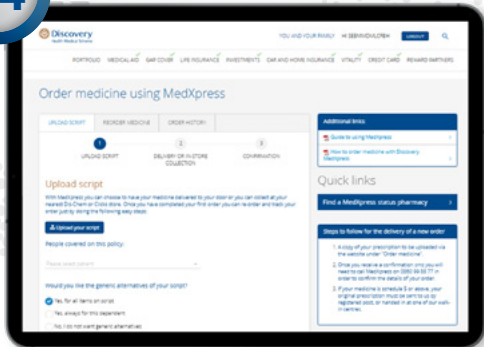

Click on 'Medical Aid' and then
'Find or order your medicine'.

03

Select 'Order medicine using MedXpress'.

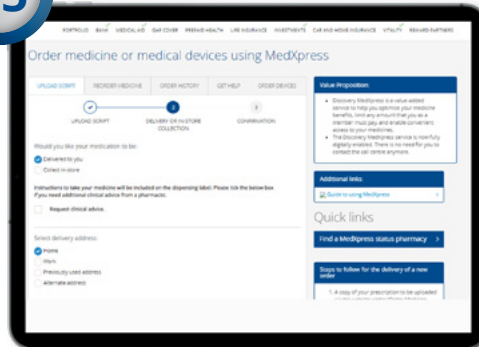

04

Select 'Upload your script', select the person the script is for using the drop down and confirm your generic script preferences by using the tick boxes. Then click on 'Next'.

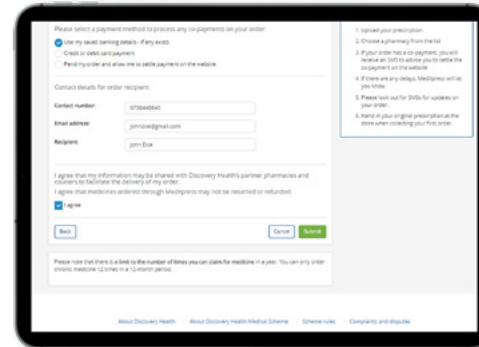

You can add any instructions pertinent to your order under General Comments

05

Choose whether you would like your medicine to be delivered or if you want to collect it from a pharmacy.

Confirm if you require any further clinical advice from a pharmacist by clicking on the tick box next to 'Request clinical advice'

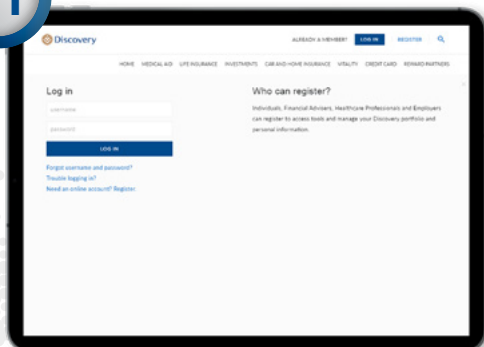

Select preferred method to collect possible co-payments on your medicine, recipient details and acknowledgement of the disclaimers then click on 'Submit'

Please note that you will not be required to call into the call centre to place your first order for instore collection or delivery. It will be processed as per your instruction on the website.

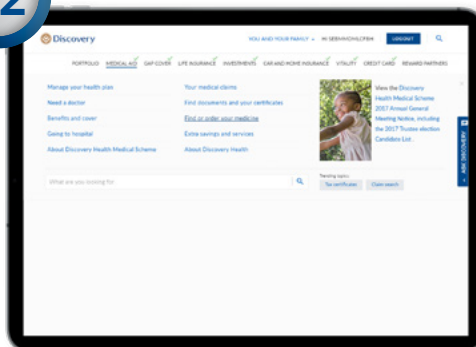

Website Reorders

01

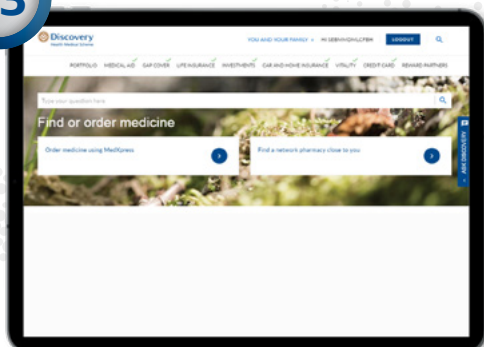

Log in to the website

02

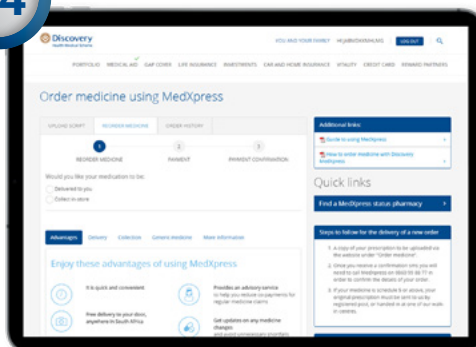

Click on 'Medical Aid' and then
'Find or order your medicine'.

03

Select 'Order medicine using MedXpress'.

04

Click on 'Reorder medicine'. Choose whether
you would like your medicine to be delivered
or if you want to collect it from a pharmacy.

05

Select the medicine you want and choose your preferred delivery address. Special delivery instructions can be added.

Select the medicine you want and choose the pharmacy you would like to collect it from.
